

This is a project update for the Cowles Street Project effective September 18, 2009.

Please visit the Cowles Street Project website at <http://dot.alaska.gov/nreg/cowles/>.

Cowles St and 21st Ave

- Striping for lane markings will begin this weekend, weather permitting
- Detours and access may be altered to accommodate traffic marking application
- Do not drive through wet paint

Cowles, 23rd to 19th Ave, continues to be CLOSED to through traffic

- Although Cowles St and 21st Ave appear complete, the roads are still closed to through traffic
- Residential and Business access is provided
- Detours are set up during this period, directing traffic around the closed area

For your information

- Heavy equipment and personnel are still working and will be in and around the street
- Watch for pedestrians, especially children walking to and from schools
- Medical offices located off of Cowles St are accessible via the Business Access detour
- The LED street lighting is scheduled to be operational near the end of September

If you have any ADA concerns about the Cowles St Project please contact Exclusive Paving or DOT&PF.

THANK YOU FOR YOUR PATIENCE!
